

Tandara Programs

When booking a Camp at Tandara all on-site programs are included in the price.

Onsite activities

High Ropes: Challenge your students to the 'Leap of Faith', 'The Vines' or the 'Flying Kookaburra' to heights up to 10 metres.

Low Ropes Course: The Low Ropes Course gives students the opportunity to challenge themselves and look out for others as they work their way through a variety of elements designed to test their abilities.

Archery: A popular activity, students and staff can try their hand at hitting the Bullseye.

Onsite Zoo Visit: An educational session with the animal handler where the students are able to touch or hold a snake, lizard, wombat, baby crocodile and other wildlife.

Group Initiative Course: Challenge your students to work together to solve/complete a variety of tasks that encourage team-work, develop leadership skills and are loads of fun.

Bush Cooking: Students test out their cooking skills making Damper the way stock-men and bush-rangers use to, over an open fire.

Blake's Bush Cooking: Blake's Bush Food provides an educational workshop designed to inform students (primary and secondary) about Australian Native Bush food plants, their nutritional value, the environments they grow in and how to cook with them. The guided bush walk aims to inspire students to walk in natural areas for enjoyment, wellbeing and appreciation of the environment.

Self-Guided/Guided Bush Walks: Take your students on a bush-walk during your stay! Different Grades available from inexperienced, intermediate and advanced hiking. (Tandara staff can assist with this).

Nature Walk/Scats & Tracks: Takes these work sheets on one of the local short walks with a small group and look out for the variety of local animals or evidence that they are around.

Night Walk/Star Gazing: Explore the world of the many nocturnal animals and treat them to one of the best views of the Milky Way.

Orienteering: Using a Compass and bearings the students find their way around camp to find the answers to a variety of questions about the Grampians Region.

Photo/Word Hunts: In these activities students use the power of observation to search for the location of various photo's or three letter words scattered around the Tandara campsite.

Tandara Programs

When booking a Camp at Tandara all off-site programs are NOT included in the price.

Off site activities

Canoeing: Test your paddling skills out with experienced staff on the beautiful Lake Bellfield and have a good splash with each other.

Natural abseiling/rock climbing: With experienced guides you get to climb up natural rock faces and abseil down them with this half day adventure! *Can be made into a full day activity with a hike involved.*

Mountain bike riding: Check out the views with a guided mountain bike ride throughout halls gap.

Zoo visit: Get down to Halls Gap Zoo with either a guided or unguided tour of all the awesome animals that they have for you to visit.

Brambuk visit: Get along to the Aboriginal Cultural centre and learn all about the history of them.

Mini Golf: Have a round of mini golf on the spectacular 18-hole course.
